Brower, Miller & Cole Did What?!

Brower, Miller & Cole Grows Its Client Base With The Addition Of The Orange County Rescue Mission

Brower, Miller & Cole, an Irvine, Calif.-based full service marketing, public relations and advertising firm, has grown its client base with the addition of the Orange County Rescue Mission. The firm has been selected by the Rescue Mission to handle its community outreach and help grow its donor program.

Don't let this boy go hungry...

Some of the publicity Brower, Miller & Cole has received thus far includes a national television segment on ABC World News, local affiliate feature television coverage on KABC and KCBS/KCAL and multiple feature stories in the local Orange County and Inland Empire media.

While other firms may be sitting on the sidelines watching to see how the market plays out, Brower, Miller & Cole is embarking on a rapid growth plan, Brower said. The Orange County Rescue Mission is doing important work in our community. Our firm is assisting the Rescue Mission to be more successful in its program to assist the needy in our own county.

Brower, Miller & Cole is handling all the publicity outreach, both locally and nationally, for the Orange County Rescue Mission, its Village of Hope and its joint-venture with Rancho Community Church at Temecula Murrieta Rescue Mission. Brower, Miller & Cole is also developing a donor program for the Orange County Rescue Mission with three arms to reach out and bring together motivated men, women and young people to get involved with the organization.

About Brower, Miller & Cole
