

# Village of Hope

## Adopt-a-Room

Fewer Moms and Dads sleep on the streets of Orange County each night.

Fewer sisters and brothers are separated from their parents and each other.

Those who are homeless finally find Hope...

...Here at the  
*Village of Hope*

The Village of Hope offers housing to over 192 homeless men, women and children. Here, they are given the opportunity to transform their desperate lives - lives which may have included a battle with addiction, a nightly search for a place to sleep or daily scavenging for food to stop the pain of hunger.

The Orange County Rescue Mission offers a variety of programs that are specially designed to provide food, shelter, education, job-training, healthcare, counseling, life skills and so much more. So not only will life's basic needs be satisfied, but they will gain skills to move forward into a life of self-sufficiency. A new life that holds a future of hope!

**Adopt-A-Room** is one of our uniquely-designed programs that allows you to be a part of the transformation in the lives of these men, women, and children.

For just \$250 a month or \$3,000 a year, you can sponsor a room that will give a homeless person a warm, cozy bed to sleep in and a chance for a changed life.

You and your family, friends, church, company, club or group can offer a future for our neighbors who need it most - a man who has no hope, a woman who turns to her addiction, or a child who has no future without a steady education.

**Today, you can make a difference in the lives of the homeless.**
