Dear Mr. Palmer,

Your ministry's 2010 Annual Membership Review (AMR) has been approved. Orange County Rescue Mission has faithfully demonstrated its continued compliance with the ECFA Standards of Responsible Stewardship.

We appreciate your ongoing commitment with denominations, churches, educational institutions and other Christian ministries to exhibit excellence and accountability. Conservatively, we estimate that 35-40 million donors annually support ECFA members. We humbly believe God is honored by the unity of over 1,400 organizations within the Body of Christ.

Each year over one million visit our website. It is replete with information about board governance, financial accounting and stewardship topics. Our online ServantMatch™ (www.ECFA.org/ServantMatch.aspx) tool allows donors to find giving opportunities in various categories. During its first year, 2009, ServantMatch™ has made over 200,000 member referrals to donors. Be sure your organization is reflected for this member-only benefit. Email Kim@ECFA.org if you have questions about ServantMatch™.

We are proud to count Orange County Rescue Mission among those organizations that set the example of integrity within the evangelical community. May God continue to bless your ministry as you do His work.

Sincerely,

John Van Drunen
Director of Compliance
