Dear Mr. Palmer,

Your ministry's 2008 Annual Membership Review (AMR) for accredited membership has been approved. Orange County Rescue Mission has faithfully demonstrated its continued compliance with the ECFA Standards of Responsible Stewardship. ECFA appreciates your ongoing commitment with over 2,000 other evangelical organizations to exhibit excellence and accountability. We humbly believe God is honored by the unity of so many organizations within the Body of Christ.

ECFA's website ([www.ECFA.org](http://www.ECFA.org)) is very popular with over two million visitors per year. This website is replete with information relating to board governance, financial accountability, fund-raising, and research documents on a variety of nonprofit topics. The latest information on them is available in the news section of the site.

We are proud to count Orange County Rescue Mission among those organizations that set the example of integrity within the evangelical community. May God continue to bless your ministry as you do His work.

Sincerely,

Corey Odden  
Vice President
