Village of Hope

Phase One (month 1-6):

• Working in a full-time position at the Village of Hope.
• Participating in 3 groups, counseling, and chapel on a weekly basis.
• Complete the seven ‘Design for Discipleship’ books.
• Comply with the program and all rules within it.
• Set goals with your case manager for your time here at the Village of Hope and after.
• First 30 days, no visitors. First 90 days cannot leave campus without an escort. First 6 months no offsite work or school.

Phase Two (Month 6):

• Continue active participation in all groups and chapel as scheduling allows.
• Set up details of offsite childcare if applicable.
• Begin job search by attending a job readiness workshop.
• Collaborate with the Success Center to actively search for employment.

Phase Three (Month 6-18):

• Maintain full-time job outside of the Village of Hope.
• Comply with Success Center requirements.
• Maintain open communication with your case manager at the Village of Hope.
• As goals are being met, begin to transition into graduate mode: looking for off-site housing, childcare, transportation, budgeting for all expenses, etc.

Graduation (Month 18-24):

• What is a Graduate? Someone who has been receptive to the Lord and His working, able to complete their program at the Village of Hope, has accomplished the goals they have set out to reach while here, and has shown their ability and desire to be self-sufficient.
